The S753 EFT is a premium open shoulder drive, excellent for regional and pickup applications. Featuring a center interlocking tread block designed for improved stability, the S753 EFT delivers exceptional tread life at 26/32" tread depth.

Features & Benefits

- Smartway Verified for lower rolling resistance and excellent fuel efficiency on highways.
- Central and edge siping for improved traction.
- Open shoulder design and tread grooves promote self-cleaning and improve traction.
- Integrated central lugs for improved stability.
- Extra strong casing design for enhanced durability.

Applications:

- Pickup & Delivery Trucks
- Intrastate & Interstate Buses
- Regional Trucks
- Long Distance Trucks
- Local Buses
- Dump Trucks
