The S737 is a regional pickup and delivery drive tire, with 6-interlocking tread blocks and a symmetrical design engineered to promote even wear throughout the tire's life. Tapered lateral grooves make the S737 a performer in all-weather applications.

### Features & Benefits

- Integrated tie bars reduce irregular wear and promote increased stability
- Angled lug and siping design improves overall traction and wet grip
- M&S rated, all-weather lug tread designed for regional use
- Lug-to-void ratio optimized for self-cleaning and excellent traction

### Applications:

- Pickup and Delivery Trucks
- Regional Trucks
- RVs
- Tow Trucks

# S737

REGIONAL METRO DRIVE

The S737 is a regional pickup and delivery drive tire, with 6-interlocking tread blocks and a symmetrical design engineered to promote even wear throughout the tire's life. Tapered lateral grooves make the S737 a performer in all-weather applications.

**QUALITY:** Every Sailun S737 tire is tested for uniformity at the factory to ensure maximum ride comfort and quality performance.
