

SFL70 EFT

TOP Premium STEER

The Sailun SFL70 EFT is a premium steer tire engineered to deliver long tread wear and excellent handling characteristics. The SFL70 EFT's 230mm tread width, micro-sipes and redesigned decoupling groove minimize irregular wear. The EcoPoint³ tread compound provides industry leading low rolling resistance without compromising tread mileage.

The Slim Bead casing design lowers casing weight to improve fuel efficiency without compromising durability. The SFL70 EFT is an ideal tire for long-haul highway steer axle applications where handling and wear uniformity are critical.

APPLICATIONS

- ✓ Regional Trucks
- ✓ Line-Haul Trucks

Features & Benefits

- Wide circumferential grooves deliver exceptional wet traction.
- Decoupling groove reduces uneven wear.
- 230mm tread width.
- EcoPoint³ tread compound for low rolling resistance and enhanced mileage.
