

SAILUN

S696 EFT

TOP SUPER SINGLE TRAILER

The S696-EFT super single trailer tire delivers exceptional performance in line haul trailer applications. This tire is engineered with a wide shoulder rib for stability and resistance to lateral scrub wear. The tread grooves channel water away from tread footprint in wet conditions. The 13/32" tread depth is optimized for even wear and long mileage in highway trailer applications. The EcoPoint3 tread compound provides industry leading low rolling resistance without compromising tread mileage. This super single is an ideal tire for long-haul highway trailer axle applications for optimizing rolling resistance and mileage. This tire is also ideal for trailers being returned off lease where a new tire is required.

FEATURES & BENEFITS:

- Smartway verified tire.
- Shallow tread reduces irregular wear.
- EcoPoint3 tread compound for low rolling resistance.
- Solid shoulder ribs minimize scrub wear.

APPLICATIONS:

- **TANDEM AXLE TRAILERS**
- **SINGLE AXLE TRAILERS**
